■ **COIN BAGGING**

■ **COIN PACKAGING**

■ **OFF-SORTING**

"BEST HEAVY-DUTY COIN COUNTER IN THE MARKET"

Major Features:

USER-FRIENDLY: User-friendly control panel for quick and easy operating.

ECONOMICAL: Outstanding Performance at an affordable price. For Heavy-Duty uses at financial institutions, Govt Mints and agencies.

FAST and ACCURATE: Counts about 180,000 coins per hour and highest accuracy in counting with full error detection

UNIVERSAL: Counts all Thailand coins by changing diameter and thickness knob. Can also be configured with other foreign coins.

4 IN 1 OPERATION: YB-series coin counters count, batch, off-sort, and bag coins at the same time.

BAG STOP: Exact pre-programmable batch stops (1-9999 variable batch) for various bagging needs.
